# WHAT IS SUSHI FOR A CURE?

SUSHI FOR A CURE is a one-of-a-kind celebration that raises much needed funds for the American Cancer Society's critical, life-saving mission with a focus on promoting the prevention and early detection of cancer.

This fun-filled, intimate evening includes a diverse menu of innovative sushi and Japanese fare artistically crafted by Chef Ramon from Hawaii, as well as signature cocktails, a silent auction, interactive activities including a paddle raise for cancer research, along with great company.

SUSHI FOR A CURE's fundraising efforts not only support the ability to conduct cutting-edge research, but they also help provide vital programs and services to anyone faced with a cancer diagnosis. Utilizing more than a century of experience and an unwavering commitment, the American Cancer Society is leading the fight for a world without cancer, which is made possible through the investment of generous companies and individuals like you.

We are grateful for your interest in joining us on our mission to free the world from the pain and suffering of cancer.

# YOUR SPONSORSHIP SAVES LIVES

The American Cancer Society works tirelessly to improve and save lives from every type of cancer in every community. The work we do impacts everyone, regardless of where the funds are raised. Through your SPONSORSHIP, you are joining the fight for a world without cancer. Here's how we put your dollars to work:

## YOUR SPONSORSHIP CAN HELP US FIND CANCER'S CAUSES AND CURES THROUGH GROUNDBREAKING RESEARCH.

As the largest private, nonprofit funder of cancer research, we've played a role in nearly every cancer breakthrough in recent history. We fund cutting-edge researchers early in their careers. Our track record of having funded 49 Nobel Prize winners demonstrates our ability to identify the best and brightest ideas.

## YOUR SPONSORSHIP ALLOWS US TO DO THE MOST TO HELP PEOPLE WITH CANCER TODAY.

We're here 24 hours a day, seven days a week, to help people with cancer and their families through every step of the cancer experience. We provide reliable information about cancer and treatment options, and we offer free services like transportation to and from cancer treatment or a free place to stay while receiving treatment away from home.

## YOUR SPONSORSHIP HELPS US DISCOVER NEW WAYS TO PREVENT CANCER OR FIND IT AT ITS EARLIEST, MOST TREATABLE STAGE, AND HELPS PEOPLE TAKE STEPS TO STAY HEALTHY.

A substantial proportion of cancers could be prevented if people did what we know works: avoid tobacco, maintain a healthy weight through diet and exercise, and get recommended cancer screenings. We spread the word in communities across the country and advocate for local, state, and federal policies that help keep everyone healthy.

## YOUR SPONSORSHIP SAVES LIVES FROM CANCER AS MUCH THROUGH PUBLIC POLICY AS IN THE LABORATORY.

Through our nonpartisan advocacy affiliate, the American Cancer Society Cancer Action Network (ACS CAN), we work with lawmakers everywhere to make this world a healthier place to live, and we rally communities around the globe to support our cause.

# SPONSORSHIP OPPORTUNITIES

The American Cancer Society has come a long way in saving lives from cancer. Still, there is much more to be done to protect this generation and future generations from this deadly disease. Through your sponsorship, you could help fund the next big research breakthrough, provide information and support for those facing the disease, as well as help educate your community about cancer's causes and ways to prevent it.
